

Access Road Route

Walk from station downhill (or reverse route list to end at station.) The entrance to “Parallel Path” is at the yellow stakes, halfway on Access Road; detour sometime to get the 3 VIBLAN.

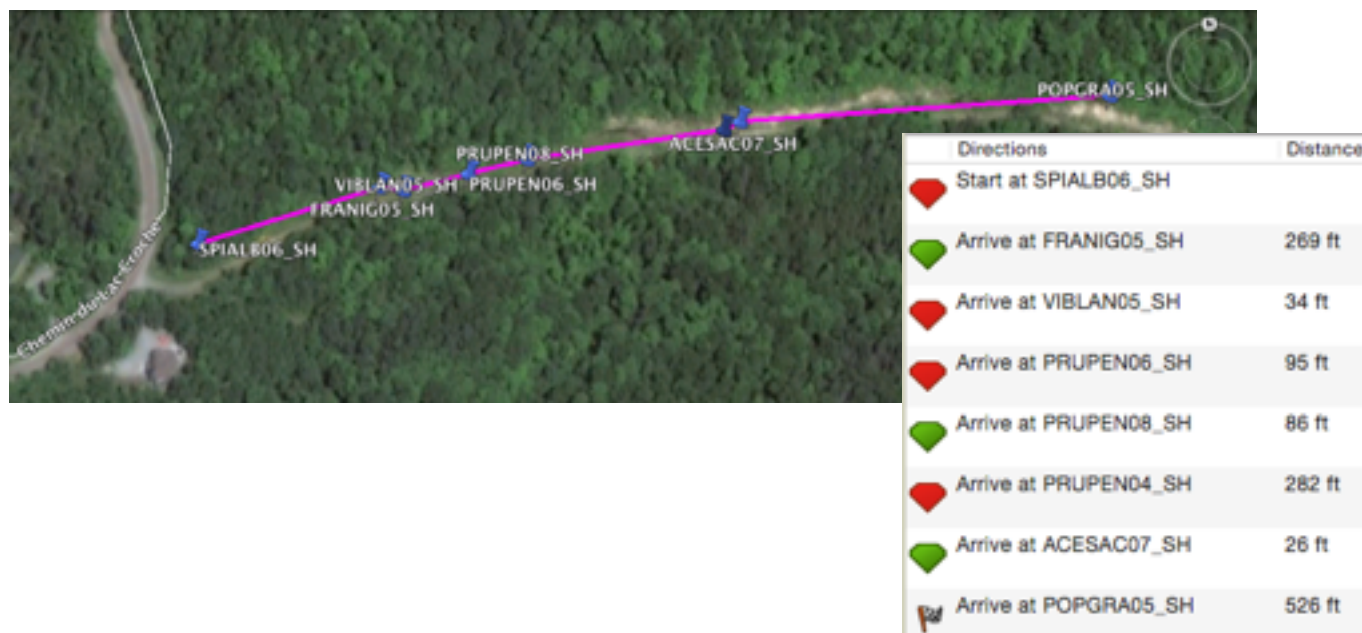

Access Road Route

ID	Lat	Long	Notes	Tissue?	DBH	Hei	#
ACERUB07_SH	45.98045	-74.01570	L of access rd before station sign	big tree with low branches

Oak Grove Route

North of Lac Long and East of Lac Pilon. Station can snowmobile us there across the lake? Or, we can drive: Exit station. Turn R on Chemin du Lac du Pin Rouge. After Lac du Pin Rouge (on R), Turn Right on Chemin des Hauteurs (drive NW). Turn Right on Chemin du Lac Pilon (drive NE). Continue until you round a bend at the tip of Lac Pilon that turns the road SSE. A two track road, blocked off by large rocks, forks to the left. Walk along the two-track!

Parking Lot to Lac Croche Route

Start at the station parking lot. Walk on the main path past the lab to the shore of Lac Croche (an area with a dam/ etc, many tags along the shore). Walk back on the other side of the lab—small path through the woods. End in clearing by weather station.
