

Harvard Forest Tracts & Roads

Legend

- Long-term plot
- Tower
- forest gates

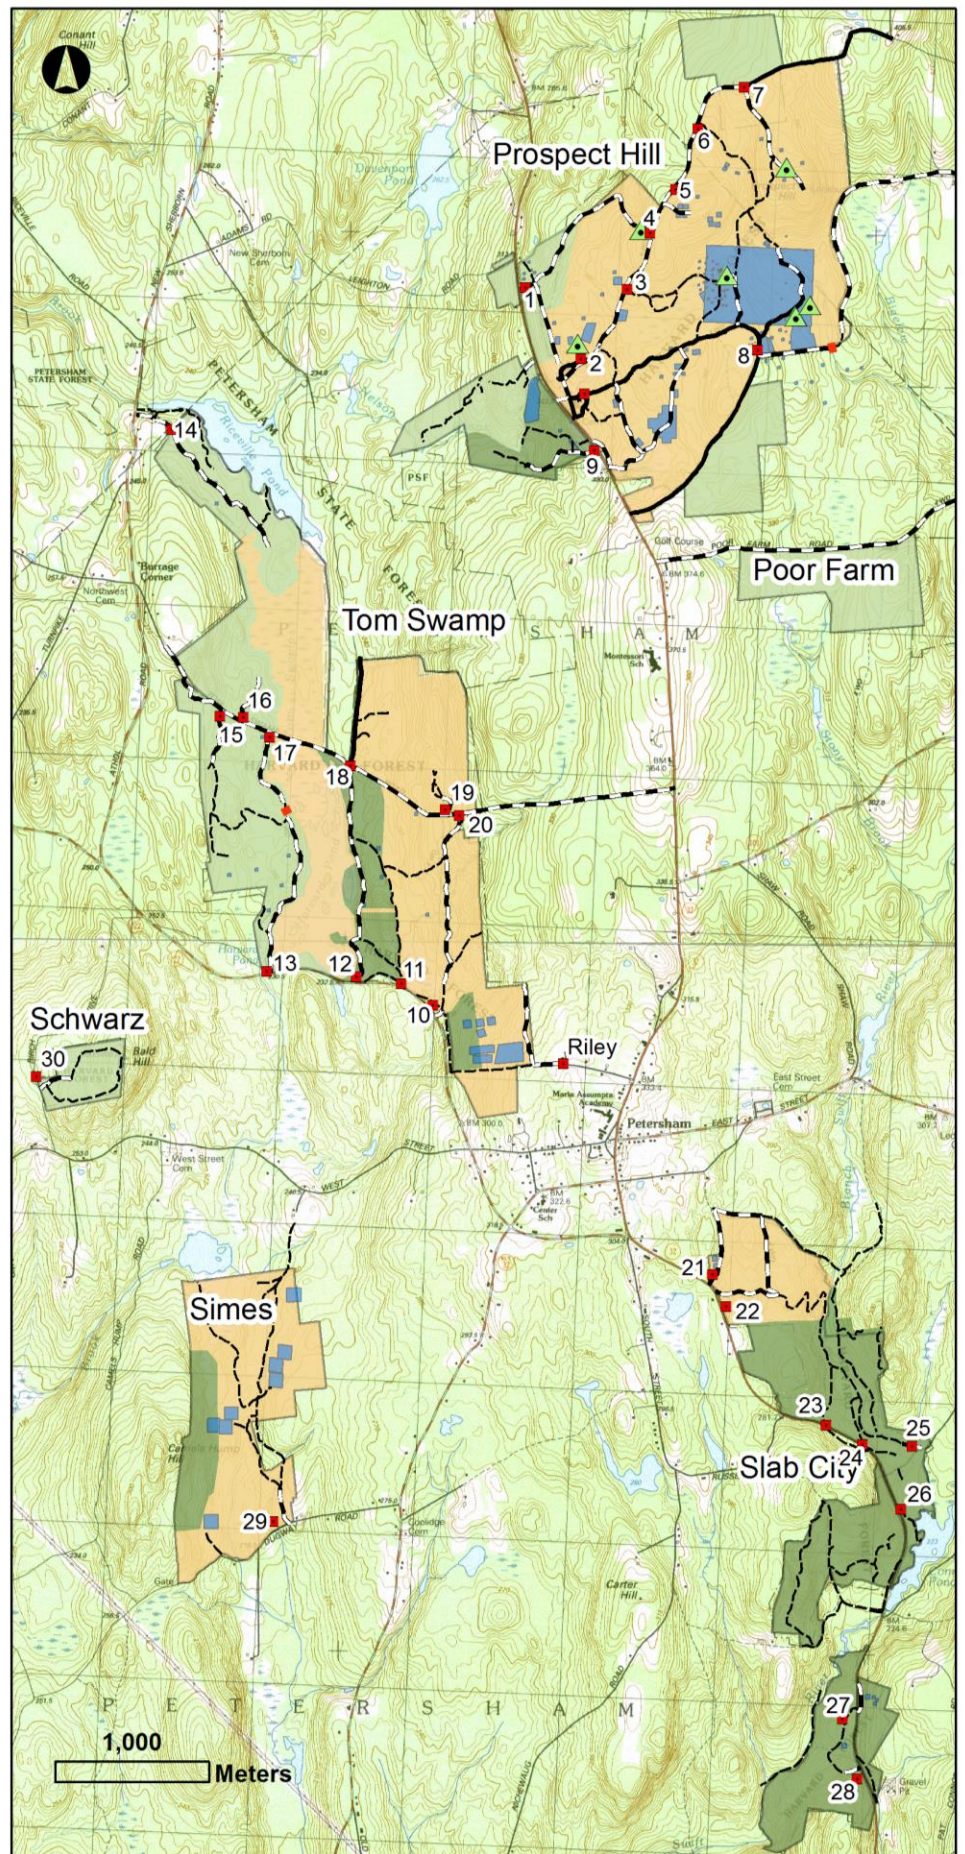

Road Designation for Research

- R1, all research vehicles
- R2, 4-wheel drive with high clearance only
- R3, no vehicle access
- Road flooded

Land Use Zone

- Flexible Research: all research (including manipulations) compatible with existing studies
- Wildland: low-impact sampling, with approval
- Woodland: research compatible with forest management plan

2014 Please Note that this shows roads on which it is possible to drive. Some roads are closed to most research vehicles for safety and to reduce vehicle traffic and impacts. See tract-level maps for details.

Prospect Hill Research Vehicle Road Designations

- R1, all research vehicles
- - - R2, 4-wheel drive with high clearance only
- R3, no vehicle access

- Long-term plot
- Tower
- forest gates
